Doghouse Redo

Is your pooch unhappy about a dirty doghouse? 8
Does your dog's house need a redo? It's unkind to 18
make him or her stay in a dirty place. Your dog is 30
unable to fix it, so it's up to you. Follow these 41
steps. 42

First, unload all the bones and toys from the 51
inside of the doghouse. Next, prewash the dog's 59
house with just water from a hose to get the dirt 70
off. Then wash it with soapy water. Watch all that 80
dirt disappear. 82

Is the paint on the outside discolored or 90
chipping? If it is, you will have to repaint the 100
outside. Scrape the wood. After that, recover it 108
with some bright paint. Let it dry. 115

Finally, clean or replace the dog's toys, bowls, 123
and blanket. Refill the dog's bowls with food and 132
water. 133

The dog's home is now clean and refreshed. 141
Your pooch will love you for it! 148
